

## RAIDER COBRA MAIN BELT

### APPLICATION

Basic equipment mounting platform, compatible with MOLLE/PALS system.

### PROPERTIES

The interlaced tape system allows the MOLLE/PALS accessories to be securely attached to it. Provides comfort even under heavy loads. Specially sewn channels provide very good air circulation. Other side covered with non-slip material. For use with any belt - sewn inside velcro prevents slipping along it. The holes in the lower part allow you to attach additional panels to the waist.
