

## PISTOL MAG INSERT

### APPLICATION

Universal inner mag pouch, mounted inside vest, chestrig or cummerbund belt. Increases the ability to carry magazines without using PALS cells. Holds 1 magazine for a pistol round.

### PROPERTIES

The external velcro strap stabilizes the pouch in spaces covered with materials with similar to velcro properties and maintains its position when several are used. Thanks to its elastic tape construction, the empty pouch automatically compresses. Ability to thread additional rubber to protect the magazine from falling out.

### MATERIALS

**Fabrics:** Cordura  
**Webbing:** Polyamide 25 mm  
Velcro 30 and 50 mm  
Elastic 50 mm

### AVAILABLE COLOURS

- Olive green
- Coyote brown
- Black
- Snow
- Gray
