

## DUTY BELT

### APPLICATION

Base for assembly of lightweight equipment and for everyday use. It can also be used as a base belt for tactical belts.

### PROPERTIES

Lightweight, rigid belt with adjustable length, fastened with velcro. Velcro lining ensures that the attached equipment does not slip along the belt. No buckle allows convenient use with other equipment - vests, tactical belts, etc.

### MATERIALS

**Webbing:** Polyamide 40/50 mm  
Velcro 40/50 mm

**Finish:** Trimming
