

LEO WAIST PACK

APPLICATION

For duty and civilian use. Versatile construction and replaceable inserts make the product useful in any situation. Available for sale separately or with any of the cartridges, which can also be ordered separately.

PROPERTIES

Compact design, comfortable to carry and multifunctional, while melting into the crowd. It does not interfere with work and fits under the jacket. Main compartment measuring 9.5" x 5.5" x 2.5", front pocket measuring 8.5" x 5.5", two side pockets measuring 3.5" x 2.5". Velcro lining allows you to insert any cartridge in the main chamber. In addition, the waist pack itself has an integrated D-ring for securing the keys, 2 elastic bands for fixing dressings, magazines or other small items in the main compartment and front pocket, and elongated tape for attaching larger items in the main compartment.

It has belt hooks that increase safety and comfort, and can be worn on its own 40 mm wide, detachable belt.

On request, a logo on the front of the pack is available at an additional cost.
